Rochester June 19th / 1854

Dr. Englemann

Dear Sir,

Not having
heard from Mr. F. D. Hayden in some time
his mother and friends feel some anxiety
on his account, and it would be a
gratification to them if you would be
so kind as to inform us, if he has left
St. Louis and if he was well when you
saw him last.

Yours most respectfully

Louisa M. Daniels
